

MA BPA PARTNERS WITH UMERGENCY APP ON FUNDRAISING EFFORT FOR LOCAL CHAPTERS

MABPA has partnered with the #1 award-winning health, safety and emergency preparedness app called UMERGENCY on a unique fundraising opportunity.

For every app subscription from any adult who signs up (the app is always free for students), your chapter will receive a 30% share of all fees.

All you have to do is email bryan@umergencyapp.com to request a promo code for your school's BPA Chapter and then you can begin reaching out to your fellow students, families, and school community to sign them up for UMERGENCY.

WHAT DOES THE UMERGENCY APP DO?

FEATURES

- **Ready-to-Use Emergency Resources** - Umergency automatically populates the locations of the nearest hospitals, urgent care, police & safety, and mental health resources on or off campus or wherever you are in the US & Canada
- **Urgent Alert and 'I AM SAFE' Button** - One click and you can alert trusted contacts of an emergency situation and automatically send your location via text and email. Use the 'I AM SAFE' button to communicate when the emergency has been addressed or resolved.
- **Easy and Secure Medical Information Upload** - Umergency can act as a hub to store a copy of your insurance card, medical consent form or important documents so you don't have to carry them around with you.
- **Click to Call National Emergency Hotlines** - Easily access and dial the phone numbers for the Suicide Prevention, (RAINN) Sexual Assault, and Poison Control
