

IN ONE INSTANT

HEY TEEN DRIVERS & PARENTS!

In One Instant is here to guide you through Graduated Driver Licensing (GDL).
We help teens become skilled, responsible drivers.

GDL Helps You:

- Cut crash rates for new drivers by up to 40%!
- Avoid big fines for tickets
- Prevent higher insurance prices
- Avoid mandatory driving school
- Prevent actions that can lose your license

Ready to start your driving journey? It's easy and just takes 3 steps to start your GDL quest:

Spread the Word!

Share these GDL facts with your friends - because safe drivers stick together! Stay smart, stay alive, and enjoy the ride!

GDL IT'S LIKE LEVELING UP IRL

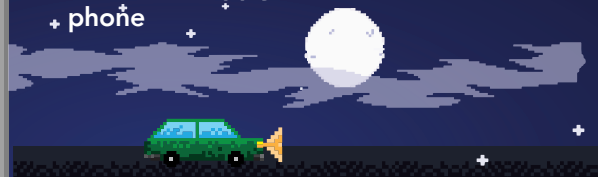

Stage 1. Learner's Permit - Noob Mode

- Grind for 6 months minimum (stay out of trouble!)
- Your sidekick: A grown-up driver (21+)
- Safety first: Everyone needs to rock those seatbelts
- Zero tolerance: No booze, no excuses
- Hands on the wheel, not on your phone: Texting is a no-go

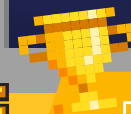

Stage 2. Intermediate License - Semi-Pro Mode

- Another 6-month grind (keep that clean streak!)
- Night owl? Not yet - there's a curfew
- Squad goals: Limited to 0 or 1 teen passenger
- Same rules apply: Seatbelts, no booze, no phone

Stage 3. Full License - Boss Mode Unlocked

BUT REMEMBER

LEVEL UP

You've Made it!

- + Seatbelts are still non-negotiable
- + No booze
- + Keep that phone on silent

- + Passenger limits still apply (less drama, more focus)
- + Full freedom, but don't go crazy - adulting comes with responsibility!
